

10th Annual "A DAY IN THE GARDEN"

Sponsored by:

Fond du Lac County Master Gardener Association

Saturday, March 13, 2010

UW Campus - Fond du Lac LGI Room

Registration begins: 8:30 a.m.

9:00 a.m. to 10:15 a.m.

"Low-Maintenance Perennials"

Mark Dwyer, Director of Horticulture Rotary Gardens, Janesville.

10:30 a.m. to 12:00 p.m.

"Use of Shrubs in the Landscape — New and Unusual Varieties"

Dave Wanninger,

Beaver Creek Nursery. Dave operated a landscaping company and was the nursery manager at a large independent garden center. He is also a longtime instructor in the Horticulture and Landscaping program at Blackhawk Technical College in his hometown of Janesville, Wisconsin. Dave embraces a large plant palette, but particularly favors hosta, peonies, and dwarf conifers in his home garden.

Dave will enlighten you with some great evergreens and woodies for those small landscape designs. These compacts, dwarfs, and pyramidal are sure to have a big impact on your spring projects!

12:00 p.m. to 1:15 p.m. - Gourmet Buffet Lunch — Provided by Linstrom's Catering

1:15 p.m. to 2:15 p.m. **"Pictorial of Butterflies and Dragonflies"**

Anita Carpenter, WI Natural Resource Magazine, contributor.

2:30 p.m. to 4:00 p.m.

"Create Your Own Wildlife Sanctuary"

- Melinda Myers, best known for her gardener friendly and practical approach to gardening, has more than 25 years of horticulture experience in both hands-on and instructional settings. She has a bachelor's degree in horticulture from The Ohio State University and a master's degree in horticulture from University of Wisconsin-Madison, is a certified arborist, and was a horticulture instructor with tenure at Milwaukee Area Technical College.

If you build it, they will come. That is the birds, butterflies, beneficial insects, and other wonderful wildlife. I'll provide tips on creating a garden, large or small, for attracting colorful wildlife and beneficial insects to the landscape. We will look at plants and accessories that provide food and shelter as well as gardening techniques that are safe for you and wildlife. We will also find ways to manage the unwelcome visitors that seem to find their way into every landscape.

4:00 p.m. - Book purchase and signing — Bring your copies to have Melinda sign them!

University of WI-U.S. Dept. of Agriculture-Fond du Lac County Cooperative. UW-Extension provides equal opportunities in employment and programming and Title IX requirements. Please advise us at time of registration if you are handicapped and desire special accommodations. Requests will be kept confidential. **UW-Extension reserves the right to cancel programs due to insufficient registration.**
