Dear Green Industry Professionals:

The 2012 Landscape and Grounds Maintenance Short Course program offers a potpourri of sessions designed to enhance your professional skills and appreciation for lawn care and landscaping done well.

Qualified speakers from throughout the industry will present on eight different topics during four sessions. Areas of focus will include fundamentals of landscape design, plant selection, safety, and management techniques.

Come and join this program to learn, earn CEU credits, interact with speakers, and meet other green industry professionals!

Landscape topics and the fee structure for this program are enclosed in this brochure. Please don't hesitate to call me at 920-391-4611 for any questions related to this program.

Vijai Pandian
Horticulture Educator
Brown County UW-Extension
